

Time and Motion Research Assignment

Part 1:

Find 2 “*Time and Motion*” photographs taken by each of the Master Photographers/artists listed below.

-Include 2 photos from each master:

- 1) Eadweard Muybridge
- 2) Henri Cartier-Bresson
- 3) Harold Edgerton
- 4) Jacques-Henri Lartigue

Part 2:

Find 6 more photographers on your own. Include 2 photos from each photographer.

For Part 1 and Part 2:

- List the *Photographer*, *Year*, and *Title* of the piece under each photograph.
- Label if it is Blurred Motion, Sequence, or Stopped Motion under each photo.
- If the shutter speed, aperture, and/or ISO is given, list it below the photo.
- Be sure to show “Time and Motion” photographs by the artist....they may have several different styles.
- Include a mixture of Blurred Motion, Stopped Motion/Freeze and Sequence photographs.
- Place all images on a Word document or Photoshop Doc. 10 photos per page. 2 pages = 20 photos total.
- Save file as LastName_TM.pdf or Lastname_TM.jpeg
- Turn in as a pdf or a .jpeg
