

Advanced DAD Agenda

- 1) Sketchbook - Symbolic Partner Portrait planning: Brainstorm and plan for your Symbolic Partner Project.
 - Include the answers from your partner interview on the Project Assignment Tab
 - Draw 2 to 4 thumbnail sketches (about 3 x 4" squares with simple sketches) planning your artwork or what your photos will include: vary your composition/layout, color scheme, subject matter, etc.
 - Research a new camera or digital art technique to include
 - Find inspirational imagery – sketch some images you like or jot down notes about how you can incorporate that artist's style in your work.
 - Include anything else that will help you create your portrait

2) Work on your Symbolic Partner Portrait:

Create your choice of:

- A digital artwork – Photoshop, Illustrator, a digital drawing program of your choice
- A series of 4 – 6 photographs
- A composite image
