

Commercial Design Project

Create your own company and the designs you sell. You may work as an individual or with a partner.

- 1) Create your own company and the products you will design and sell.
- 2) Create a logo for your company
- 3) Create an image or brand for your company and products
- 4) Decide on at least 3 products you will create, design, and sell.

Possible products:

- T-shirt designs
- Textile designs: fabric for clothing, curtains, etc.
- Home décor: pillows, curtains, rugs, duvet covers, shower curtains
- Technology Accessory design: Phone case, laptop cover
- Paper Toys, vinyl toys, other toys
- Surf, snow, and skateboard designs
- Fashion design

Requirements – What you will create and turn in:

- 1) Logo design that represents and brands your company
- 2) T-shirt design: a design that represent your company or is a design you sell
- 3) 2 more products of your choice/creation
