

Agenda

1) Work on your Before & After project in Photoshop: DUE NEXT CLASS

- Make sure you choose 3 different complex tutorials
- Show SIGNIFICANT CHANGE
- Use your own photos whenever possible
- Save all original source photos – you will turn them in!
- What you will turn in:
 - 3 completed artworks:
 - Yourlastname-BA1.jpeg
 - Yourlastname-BA2.jpeg
 - Yourlastname-BA3.jpeg
 - Include one source file with all your original photos on it. Call it yourlastname-BAsource.jpg

2) Work on your Portfolio Website Project

Photo Alteration: Before & After Tutorials Project:

- Complete 3 photo alteration tutorials – use links on website
- You will turn in a “Before” photo (original and unaltered) and an “After” file (shows alterations).
- 2 tutorials must use photos you shot. The other 1 may use stock photos.
- Each tutorial should show effort and time – a minimum of 45 minutes of work for each tutorial.
- Demonstrate that you learned something new, complex, and unique.
- Must be school appropriate.
