Elements of Art & Principles of Design Group Project

Complete the following in a group of 2 to 4 students.

Assignment:

Demonstrate your understanding of the Elements of Art & Principles of Design.

- Shoot 10 photographs around campus (or at a location of your choice).
- Each photograph must demonstrate and emphasize 2 elements & at least 1 principle
- All the elements and the all the principles must be used

Tips:

- If it is sunny outside with hard light, try and shoot in open shadows/ shaded areas.
- Look for unique locations and unnoticed details around campus.
- FILL the frame. Get close to your subject, zoom in.
- Vary your point of view. Get on the ground and look up (bug' s eye).
Get up high and look down (bird' s eye).

Elements of Art & Principles of Design Group Project Google Slides:

- 1) Upload your photos. Crop your photos if you are familiar with Photoshop or other editing programs.
 - 2) Create 1 presentation for your group and include the following:
 - Title slide: include all group members' names
 - 10 photo slides: On each slide there should be 1 photograph. Label each photograph with the 2 elements and 1 principle that the photograph demonstrates.
- Be prepared to explain each slide to the class and discuss how the elements and principles are emphasized in each photograph.
- All group members must speak for an equal amount of time.

End of class Procedure

- Log out
- Clean up your work area: throw all trash, return supplies and books to materials table, push in your chair
- Wait at your desk until the bell rings
