

## Agenda - Substitute

- 1) Complete your Time & Motion Research Assignment. Call it yourlastname-TMresearch.pdf and turn in to the student share
- 2) Read over the “Independent Project” on today’s date and choose a project to research.
- 3) Begin the Independent Project Research Assignment – Due

**\*No camera checkout today. No shooting photos today.**

We will resume the Frozen Action Project when Mrs. Doerrer returns to class.

# SB #42:

Review the “Abstract Bokeh Examples” on the website and the article on “7 Quick Tips to Create Bokeh”.

- 1) Choose 1 photo you like the best. Describe it or draw a small sketch of it in color.
- 2) Explain why you like this photo. What stands out to you? What makes it unique?
- 3) Explain the elements of art that stand out in this photograph.
- 4) Explain the principles of design that stand out.
- 5) Explain what camera techniques you think the photographer used to shoot this photo.
- 6) List and explain IN YOUR OWN WORDS the 7 quick tips to create a bokeh effect in your photography.
