

Agenda

- 1) Sketchbook: Abstract Masters
- 2) Sketchbook: Abstract Examples #2
- 3) Take photos for the Abstract Photography Project: Organic, Geometric, Color Scheme, and Architecture
- 4) Complete 1 Abstract Photoshop Tutorial. Use the links on the website.
- 5) Continue uploading your photos to ARTSONIA.

No photos of students, No copyright statements.

Make sure to fill out the title and artist statement or I will send it back to you.

SB:

Review the Abstract Photography Masters Examples on the website.

- 1) Choose 1 photograph you like the best. Describe it or draw a small sketch of it in color.
- 2) Explain why you like this photo. What stands out to you? What makes it unique?
- 3) Explain the elements of art that stand out in this photograph.
- 4) Explain the principles of design that stand out.
- 5) Discuss the viewpoint and rules of composition the photographer used

SB:

Review the Abstract Photography Examples #2 on the website.

- 1) Choose 1 photograph you like the best. Describe it or draw a small sketch of it in color.
- 2) Explain why you like this photo. What stands out to you? What makes it unique?
- 3) Explain the elements of art that stand out in this photograph.
- 4) Explain the principles of design that stand out.
- 5) Discuss the viewpoint and rules of composition the photographer used

You may NOT
submit photos of the
purple flowers or the
concrete walls for
your Abstract Photo
Project
