SB:

Review the Abstract “Impressionist Photography” Examples on the website and the article on “5 Impressionist Photo Techniques.”

- 1) Choose 1 photo you like the best. Describe it or draw a small sketch of it in color.
- 2) Explain why you like this photo. What stands out to you? What makes it unique?
- 3) Explain the elements of art that stand out in this photograph.
- 4) Explain the principles of design that stand out.
- 5) Explain what camera techniques you think the photographer used to shoot this photo.
- 6) List and explain IN YOUR OWN WORDS the 5 techniques to create impressionistic photos.

You may NOT
submit photos of the
purple flowers or the
concrete walls for
your Abstract Photo
Project
