

Elements of Art & Principles of Design Group Project

Complete the following in a group of 2 to 3 students.

Assignment:

Demonstrate your understanding of the Elements of Art & Principles of Design.

Shoot 10 photographs – 5 must be on campus and up to 5 may be off campus.

- Each photograph must demonstrate and emphasize 2 elements & at least 1 principle
- All the elements and the all the principles must be used
- You will create a PowerPoint presentation or Google Slides of your photographs and present it to the class.

PowerPoint or Google Slides:

- 1) Title slide with group members' names
- 2) 10 photographs. 10 slides. 1 photograph per slide.
- 3) For each photograph list the 2 elements of art and 1 principle emphasized.
- 4) Oral Presentation: each group member must speak for an equal amount of time. Demonstrate knowledge of the elements and principles and discuss how they are emphasized in each photograph.

Tips:

- If it is sunny outside with hard light, try and shoot in open shadows/shaded areas.
- Look for unique locations and unnoticed details around campus.
- FILL the frame. Get close to your subject, zoom in.
- Vary your point of view. Get on the ground and look up (bug's eye). Get up high on a hillside and look down (bird's eye).
