

Agenda

1) Sketchbook: Composition Rules #5-8

2) “Cleaning Up Art”

3) Photoshop Skills to Learn:

Layer blending modes color overlay, color balance

4) Continue your Narrative Color Project in Photoshop.

Remember:

- You will turn in a source file with all stock photos used
- A final artwork
- Strong theme inspired by narrative
- Color scheme and range of values
- Unity: overlapping, color adjustments, blended imagery

Sketchbook:

Review the “Rules of Composition” on today’s calendar.

For rules 5-8:

- Label the rule
- Define the rule
- Draw a thumbnail (3X3”) example of the rule. A quick sketch or diagram.
