

# Agenda

1) Complete the Line Art & Voxel Portrait Scoring Guide & Evaluation

2) Line Art & Voxel Portrait Project:

Work on the Creative Version

- Vary line weight
- Have a color scheme
- Show personal artistic voice
- Include a background

3) Create an All in One file with:

-reference photo

-line art only

-realistic version

-creative version

11x14" 150 ppi

**Vexel Line Art Portrait Assignment:** Using a photograph of yourself, family, or a friend as a reference, create a Vexel Line Art Portrait Artwork.

You may focus on the face or the person in a scene/ environment with objects, animals, designs, etc.

- Use the pen tool and paths
- Vary line weight with brush dynamics (fade and pen pressure)
- Include a creative background
- Emphasize LINES
- Use a specific COLOR SCHEME
- Include a unique element: Photo to drawing, out of bounds, surreal transition, text, etc.

Use a combination of the following to digitally paint:

- Include Color Fills with Color Adjustment layers
- Include Shadows and Highlights with Hue/Saturation Adjustment layers
- Add value: shadows and highlights with digital painting
- Add text in creative ways
