- 1) Decide on a narrative that you will visually illustrate. This may be a story, poem, fairytale, proverb, idiom, song lyrics, a passage from a book, or a quote to illustrate. Include it here and explain how it inspires you.
- 2) Include “Inspiration Images.” Find images of artworks, photographs, textures, brushes, fonts, stock photos, etc. Anything that will inspire and contribute to the theme of your Narrative Color Project. Include a minimum of 8 images.
- 3) What will be your color scheme? List the color scheme, the colors included and explain why you want to use these colors.
- 4) Include a written statement of your idea for your Narrative Color Project. Make sure to explain how you will illustrate the narrative visually. What emotions, themes, moods, and ideas will your artwork convey? How will your choice of a color scheme help visually illustrate your narrative?
